

SLIT TABLE

HAY

HAY's Slit Table is a geometric steel side table inspired by paper origami techniques. The slim frame appears folded beneath the tabletop, creating a simple yet sculptural form that is reminiscent of traditional Japanese paper art.

The Slit Table is available in a selection of different shapes and sizes, and is offered in a variety of contemporary colours and finishes. Compact and versatile, it can be used on its own or arranged in clusters in diverse private or public settings.

With a little care you can prolong the life of your furniture. Follow the instructions for the materials of your specific product to make sure that it stays in the best shape for as long as possible.

The information below is only intended as a general guideline. For more information on how to remove specific stains, please enquire where you bought the furniture.

- / Always remove stains quickly before they can do any permanent damage to the furniture.
- / When you move your furniture, make sure you lift it rather than pulling or pushing it to avoid damaging the floor.
- / Use coasters under damp, hot or coloured objects to avoid permanent stains.
- / Be careful not to scratch or damage the surface with sharp objects.
- / Avoid improper use such as putting your feet on the table or standing on it.

POWDER COATED STEEL

Wipe with a clean cloth wrung in water or in a solution of water and a neutral detergent. Remove soap residue immediately using a clean, dry cloth. Avoid using scouring cream or scouring pads, as they may scratch the surface. Do not use solvents as they may have an adverse effect on the coating. Never use acetic acid or citric acid.

BRASS

Slit Table Brass is crafted in high-polished stainless steel, before being plated with a brass colour to create a smooth brass finish. Wipe with a clean cloth wrung in water or in a solution of water and a neutral detergent. Remove soap residue immediately using a clean, dry cloth. Avoid using scouring cream or scouring pads, as they may scratch the surface. Do not use solvents as they may have an adverse effect on the coating. Never use acetic acid or citric acid.

MIRROR

Slit Table Mirror is crafted in high-gloss polished stainless steel to create a smooth mirror finish. Wipe with a clean cloth wrung in water or in a solution of water and a neutral detergent. Remove soap residue immediately using a clean, dry cloth. Avoid using scouring cream or scouring pads, as they may scratch the surface. Do not use solvents as they may have an adverse effect on the coating. Never use acetic acid or citric acid.
