

A photograph of a dining table and chairs set in a modern interior. The table is dark and round, surrounded by four light-colored wooden chairs with a distinctive Y-shaped backrest. A pendant light hangs above the table, and a window in the background shows greenery outside. A framed artwork is visible on the wall to the left.

## SOLEIL

*"I am particularly proud to introduce design series SOLEIL, by Philip Bro. I have been working together with Philip since I joined LE KLINT in 1998.*

*He is constantly evolving as a designer, he is a very nice guy and always a pleasure to work with."*

## SOLEIL

Design: Philip Bro

Minimalistic designs inspired by autumn skies, in muted colour tones of Thunder Sky and Silver Cloud.

SOLEIL has two sizes fitted with LE KLINT hand pleated standard and paper shades inside aluminium discs, together with a choice of light oak or smoked oak details. Replaceable LED light source is available directly from LE KLINT.

SOLEIL can be used with regular on/off wall switches or via the CASAMBI mobile phone App.

Like all other LE KLINT models, SOLEIL can be serviced and repaired for continued enjoyment of future generations to come.
