

SCHULZ

SCHULZ STUHL / SCHULZ CHAIR

SCHULZ ist die Synthese von Alt und Neu. Material und Herstellung sind traditionell und handwerklich, während das Design eine raffiniert ins Jetzt beförderte Interpretation des klassischen Holzstuhls bietet. Man erkennt den Archetyp eines Stuhles. Im Profil jedoch entfacht der SCHULZ Stuhl seine ihm ganz eigene Kraft. Die Maserung des Holzes zeichnet abstrakte Formen auf die grafischen Flächen und zeigt, wie sich traditionelle Materialien und moderne Formen symbiotisch verbinden lassen. Mit eingängiger Schönheit und langlebiger Qualität hat SCHULZ alle Eigenschaften, die eine Ikone ausmachen.

Designed in Berlin & Made in Germany

SCHULZ is the synthesis of old and new. Solid material and traditional craftsmanship is matched with the design that offers a sophisticated interpretation of the classic wooden chair. One recognizes the archetype of a chair right away. In profile, however, the SCHULZ Chair ignites its very own power. The grain of the wood draws abstract forms onto the graphic surfaces and shows how traditional materials and modern forms can be combined symbiotically. With its catchy beauty and long-lasting quality, the SCHULZ Chair has all the characteristics that make an icon.

Designed in Berlin & Made in Germany

DESIGN

Anton Rahlwes, 2015
